### IMPORTANT INFORMATION PLEASE READ CAREFULLY

1. A licensee may only transact insurance with an active appointment by an eligible insurer or employer. If you are acting as a surplus lines agent, public adjuster, or reinsurance intermediary manager/broker, you should have an appointment recorded in your own name on file with the Department. If you are unsure of your license status, you should contact the Florida Department of Financial Services immediately.
2. This license will expire if more than 48 months elapse without an appointment for each class of insurance listed. If such expiration occurs, the individual or firm will be required to re-qualify as a first-time applicant.
3. If this license was obtained by passing a licensure examination offered by the Florida Department of Financial Services, the licensee is required to comply with continuing education requirements contained in 626.2815 or 648.385 Florida Statutes. A licensee may track the continuing education requirements completed or needed at <https://dice.fdfs.com/>
